"All permanent EPA [ESD protected areas] shall have defined boundaries. No item or activity within an EPA shall cause significant damage to ESDS [ESD sensitive items]. An EPA may take many forms, including the following: a bench; a store; an area of work; a field work area; a work station and equipment (for example, a solder flow machine)."
[EN 61340-5-1 clause 5.1.1 General]

Unless otherwise noted, tolerance $\pm 10\%$
Specifications and procedures subject to change without notice.

ESD Protected Areas (EPAs) need to be identified as such. These signs are designed to attract attention and deliver a clear message to personnel and visitors.

The sign is printed with text and ESD sensitivity symbol per EN 61340-5-1 and User guide CLC/TR 61340-5-2.

Properties:

- Made of opaque rigid PVC film
- Thickness: 0.15mm
- Self-adhesive backing
- Printed with Vermason logo

Item	Description
